Consolidated Carpet Is Going Social

Consolidated Carpet is committed to satisfying the varied and specific needs of our clients. We strive to provide our customers with the tools necessary to stay informed about our business and our industry. As a means to further achieve this goal, we are actively engaging our organization in social media.

Utilizing social media platforms such as Facebook, Twitter and LinkedIn, we are aiming to establish a community where we will share insight into the floor covering, architecture, construction and design industries, as well as provide updates on business, networking and social media. As a company that is committed to sustainable practices, we intend to provide green tips and best practices, as well as environmentally-relevant news.

We are excited to connect with our clients, industry partners and friends on social media and hope that you will join in on the conversation. We invite you to explore the Consolidated Carpet Difference by joining our online community.
