CONSOLIDATED CARPET LAUNCHES NEW WEBSITE

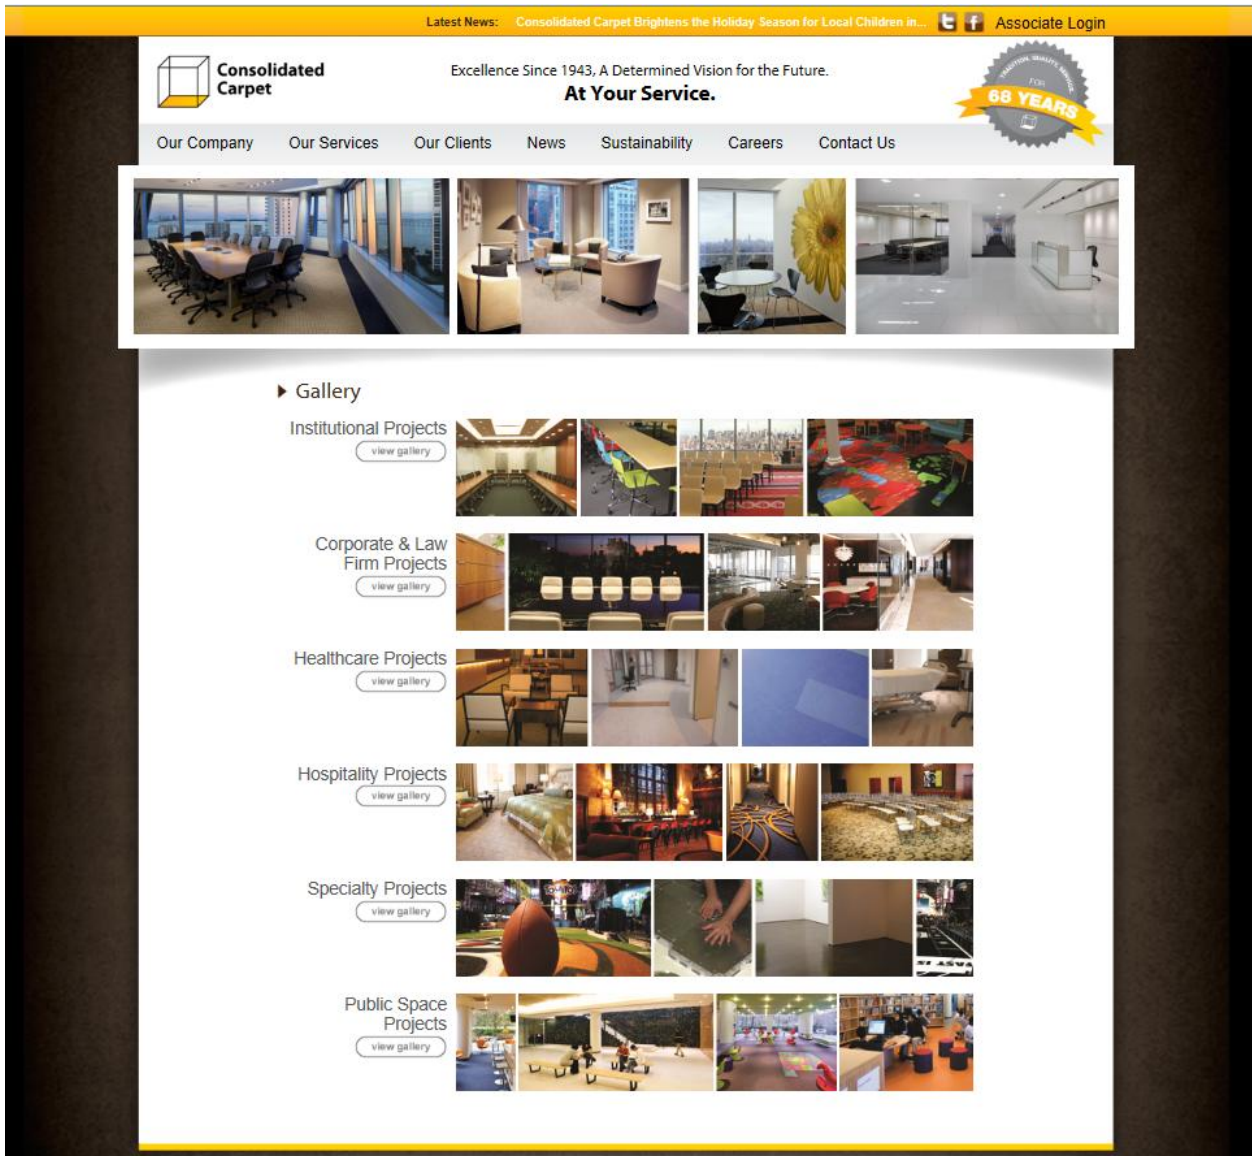

The homepage of Consolidated Carpet's newly redesigned and upgraded website

NEW YORK, N.Y. – June 21, 2012 - Consolidated Carpet is proud to announce the launch of their newly redesigned and upgraded website at www.consolidatedcarpet.com, increasing their commitment to keep clients and the floor covering industry informed in the digital landscape.

Completely redesigned, the website now features a project gallery where visitors can easily click through Consolidated projects, broken down by market segment including Hospitality, Corporate, Healthcare, and more. In addition, the site now features real-time information and statistics on the solar panel array located on the roof of Consolidated's New Jersey warehouse.

Keeping the website easily navigable, Consolidated was able to employ a new theme with updated project pictures, information on executives, careers and company services. Ensuring that clients, industry partners and friends stay apprised of the company's latest news, the press clippings, awards and news sections have been revamped with up to date information.

Joint efforts on Consolidated Carpet's Social Media Community have established a great digital presence for the floor covering contractor, in business since 1943. Utilizing Facebook, Twitter, LinkedIn, and their new website, Consolidated Carpet is dedicated to being well-informed about trends and the floor covering industry, while sharing insight with their online community.
